Bio

Tracy Bennett, Ph.D.

Dr. Bennett is a screen safety expert who teaches families how to strengthen relationships AND achieve screen sanity. She is founder and CEO of GetKidsInternetSafe (GKIS) and author of [Screen Time in the Mean Time: A Parenting Guide to Get Kids and Teens Internet Safe](#).

In her work as a clinical psychologist over 25 years, she sees the impacts of digital injury and how to treat and prevent it. After being distracted by the loss of her parents, she needed answers for her own kids; shame-free, actionable strategies that work. They weren't out there; so, she committed to the GKIS mission. Her research and teaching as adjunct faculty at CSUCI complement her feet-on-the-ground practical skill set. She is currently on the Youth Advisory Team for Facebook's Messenger Kids, consults with experts in technology and education, and has served as Global Ambassador of TeenSafe. Her television and radio appearances, keynotes, blog articles, and online parenting programs make a powerful impact on families. When she's not working, she spends most of her time driving her teenager to get fast food as she tells him how unhealthy fast food is. Please welcome Dr. Tracy Bennett!
